**PARKROYAL – A BRAND THAT TAKES INSPIRATION  
FROM THE ORCHID**

The orchid stands for elegance and timelessness.  
It flourishes in all conditions and adapts to its surroundings.

It adds value through its beauty and charm,  
colour and richness. Orchids are widely cultivated  
in Singapore and are exported all over the world.

As a brand from Singapore that is poised to grow,  
we at Parkroyal take inspiration from this iconic flower:

A classic that never goes out of style.
